

**PRODUCT DATA**

# Lusin® Clean L 52 F

## Degreaser and mould cleaner

**Benefits:**

- **rapid and thorough cleaning**
- **removes oil, grease, wax and resin deposits**
- **NSF registered, conforming to K1 and K3 category**

**Description:**

LUSIN® CLEAN L 52 F is a cleaning agent based on organic solvents.

**Other properties:**

- removes oils, greases, waxes, resins etc. from metal and most plastic surfaces
- spreads easily and rapidly

**Application:**

Removal of oil, grease, wax and resin deposits on metals. Especially suitable to degrease tools and moulds in plastic processing machines.

Spray LUSIN® CLEAN L 52 F on contaminated parts, let the product react for some minutes, and then wipe the parts with a clean cloth.

Owing to the excellent resin dissolving properties we recommend carrying out compatibility tests if the product is used on plastic components.

**Storage / Handling:**

For further information on storage, handling, hazards, etc. please refer to safety data sheet.

**Shelf life:**

approx. 2 years

**Packaging:**

Spray 400 ml : 12 cans per box

art.no. 800192
