

PRODUCT DATA

Lusin® Clean L 51

Cleaning agent based on organic solvents

Benefits:

- rapid and thorough cleaning
- removes oil, grease, wax and resin deposits

Shelf life

approx. 2 years

Description

LUSIN® CLEAN L 51 is an organic cleaning agent with a pleasant orangy smell based on limonene and surfactants.

Other properties:

- removes oils, greases, waxes, resins etc. from metal and most plastic surfaces
- spreads easily and rapidly

Storage / Handling

For further information on storage, handling, hazards, etc. please refer to safety data sheet.

Packaging

Spray 400 ml : 12 cans per box
art.no. 021060

¹
.

Application

Removal of oil, grease, wax and resin deposits on metals. Especially suitable to degrease tools and moulds in plastic processing machines.

Spray LUSIN® CLEAN L 51 on contaminated parts, let the product react for some minutes, and then wipe the parts with a clean cloth.

Owing to the excellent resin dissolving properties we recommend carrying out compatibility tests if the product is used on plastic components.

Protect the clean parts with LUSIN® PROTECT G 11 or PROTECT G 31 against corrosion.
