

PRODUCT DATA

Lusin® Protect O 13

Universal rust dissolver

Benefits:

- dissolves rust, dirt and soiling
- penetrates smallest gaps

Product description

Universal rust dissolver with a base of mineral oil containing special additives.

Special properties:

- low viscosity
- infiltrates moisture
- lubricates moving parts, e.g. screws, springs, hinges
- protects rust-free metals effectively against corrosion
- without CFC and chlorinated hydrocarbons

Spray can is filled with environmentally compatible propellant.

Applications

Indispensable aid for all repairs, assembly and maintenance jobs on operating equipment, machines, vehicles, etc.

To apply

Spray thick coat onto rusted parts, allow to work in.

Shelf life:

2 years
